

Only tests performed at the MUHC will be automatically sent to us. It is your responsibility to ensure that results for tests performed outside the MUHC reach us before your appointment.

Test results should be faxed to **514 843-1496**. Please do not call the Centre for your test results as staff is not permitted to give results over the telephone.

Basic Investigation Tests for Female Patient	When?	Where?
<input type="checkbox"/> Baseline Vaginal Ultrasound <ul style="list-style-type: none"> On Day 1 of your cycle (regular flow bleeding), call 514 843-1650 to request an appointment for the baseline ultrasound to be done on Day 2 to 5 of your cycle. If an appointment is not available, wait for your next cycle. A requisition is needed if you are doing this ultrasound elsewhere. 	Day 2-5 of menstrual cycle	Glen Site 1001 Decarie Blvd. Obstetrics & Gynecology Ultrasound 6th floor of Block C Room C 06.4351
<input type="checkbox"/> Hormonal Blood Test <ul style="list-style-type: none"> You can do these tests on the same day as your baseline ultrasound appointment. Call 514 843-1650 to request an appointment. Make sure you have a requisition. Fasting is not required for these tests. 	Day 2-5 of menstrual cycle	Site Glen Blood Test Centre 1001 Decarie Blvd. 2nd floor of Block D (south side) Room D 02.2307
<input type="checkbox"/> Progesterone Blood Test <ul style="list-style-type: none"> This blood test must be done 7 days before the end of your menstrual cycle (i.e., 7 days before the first day of your next period). If this day falls on the weekend or a statutory holiday, the test can be done either the day before or the day after. Call 514 843-1650 to request an appointment. Make sure you have a requisition. Fasting is not required for these tests. 	7 days before start of next cycle	Note: Patients who do not have a RAMQ Medicare card should arrive 30 minutes before their appointment time and go to the Cashier's Office located in Block B, Level S1, Room 3885.1
<p>If you need to cancel or change the date of your appointment, call 514 843-1650 at least two (2) working days (48 hours) prior to your appointment or send an email to fertility@muhc.mcgill.ca</p>
