### DISCLAIMER BY EGG OR SPERM DONOR

I hereby confirm and acknowledge that the above information is true and complete.

I confirm that I know the intended recipient to whom I have consented to donate my gametes (eggs or sperm).

I recognize that the information contained in this document will also be shared with the recipient as part of the egg or sperm donation process.

I confirm that I will notify the recipient and the clinic of any change in my health status, whether before or after the donation, that could pose a risk to the health or safety of the recipient or the baby.

I confirm that I have not donated to more than ten (10) recipients/families/parental projects.

## DISCLAIMER BY INTENDED PARENT

I hereby confirm and acknowledge that the above information is true and complete.

I recognize that the information contained in this document will also be shared with the surrogate as part of the surrogacy process.

As an intended parent doing a parental project involving surrogacy, I understand that my eggs or sperm will be processed as donor eggs or donor sperm to follow Health Canada rules, and that this screening is not a part of a donation process.

I confirm that I will notify the surrogate and the clinic of any change in my health status, whether before or after my eggs or my sperm is collected, that could pose a risk to the health or safety of the recipient or the baby.

## DISCLAIMER BY SURROGATE

I hereby confirm and acknowledge that the above information is true and complete.

I confirm that I know the intended parent(s) to whom I have consented to carry their child.

I recognize that the information contained in this document will also be shared with the intended parent(s) as part of the surrogacy process.
