

## CHIEF OF DEPARTMENT OF EMERGENCY MEDICINE MCGILL UNIVERSITY HEALTH CENTRE

The McGill University Health Centre (MUHC) is searching for a leader in emergency medicine for the clinical, educational, research and innovation activities of its Department of Emergency Medicine. This encompasses the clinical activities at the Montreal General Hospital site and the Royal Victoria Hospital/Glen adult site of the MUHC.

As Chief of the Department of Emergency Medicine, the successful applicant will be responsible for the planning, organization, and quality improvement initiatives of the department. In addition to providing leadership in the delivery of excellent clinical services at the MUHC, the successful applicant will strongly support the academic mission of the Emergency department through research and educational initiatives. The successful candidate will provide leadership in the recruitment, development and mentoring of diverse faculty to allow them to achieve their full potential.

The successful candidate will have demonstrated ability in organizing collaborative clinical and academic work engaging different departments and inter-professional colleagues. As well, the new chief will engage with external parties at the provincial level as well as other partners within the McGill network in coordinating critical care services.

The successful candidate is expected to:

- Have managerial experience in a clinical setting; in particular be comfortable in a co-management model
- Be energetic and influential with a proven track record for teamwork and inspirational leadership
- Have demonstrated academic leadership in their field
- Be licensed or eligible for licensure in the province of Quebec
- Bilingual – French and English

Interested applicants may submit their candidature in confidence to: Dr. Joyce Pickering, Executive Associate-Physician-in-Chief; email: [joyce.pickering@mcgill.ca](mailto:joyce.pickering@mcgill.ca), copy to [Judy.Ellerton@muhc.mcgill.ca](mailto:Judy.Ellerton@muhc.mcgill.ca). The deadline for applications is December 20, 2020.

The following supporting documents are required:

1. a cover letter & curriculum vitae (as 1 pdf document)
2. statement of research (if including other documents, combine to make 1 pdf)
3. the names and contact information of three referees

### ***The McGill University Health Centre in Brief***

*The MUHC is a leading McGill-affiliated academic health centre committed to excellence and innovation in health care across the lifespan. Multidisciplinary teams at the MUHC's four sites and research institute strive to improve the quality of life and outcomes of patients, at home and abroad, through outstanding patient-focused tertiary/quaternary clinical care, research, and training, as well as through the development and assessment of health technologies and modes of intervention—all in a multilingual and multicultural environment that is anchored in ethics and driven by performance. The MUHC applies an equal opportunity employment program and invites women, aboriginals, visible minorities, ethnic minorities and people with disabilities to apply.*
