Nom du candidat :

Marco Zaccagnini

Lieu du travail ou d'exercice d'une profession :

McGill University Health Centre

Profil du candidat (formation, occupation, expérience) :

(2008-2012) DEC. Vanier College. Respiratory & Anesthesia Technology Program, Montreal, QC  
(2013-2016) Bachelor of Health Science (With Distinction). Thompson Rivers University. Kamloops, BC.  
(2017- in progress)- Masters of Science. Health Science Education. McMaster University, Hamilton, ON

Raisons motivant la candidature :

Despite my young age, I have been an employee at the MUCH for 5 years and have been implicated in multiple activities and committees during this time. I feel a deep sense of belonging and commitment to this institution and I am interested in being involved in its development at multiple levels. Becoming a member of the Board of Directors would be a great honour for me and I would assuredly take this responsibility to its full value.

Implication sociale, communautaire, bénévole, etc. :

Heart and Stroke Foundation. Instructor (McGill Simulation Center)  
Canadian Society of Respiratory Therapists, Numerous professional advisory boards  
Student Ambassador: Clinical Perspective for McMaster's University Health Science Education program
