

Baseline Investigations for the Donor Egg Recipient and her Partner

Only tests performed at the MUHC will be automatically sent to us. It is your responsibility to ensure that results for tests performed outside the MUHC reach us before your appointment.

Test results should be faxed to 514-843-1496. Please do not call the Centre for your test results; the staff is not permitted to give results over the telephone.

Important Documents:

- Egg donation booklet
- Egg recipient consent form
- CMV information sheet

Step #1

Complete your tests before your appointment with the physician.
