

- **Carolyn Freeman**, Chair, Clinical Pertinence Committee, McGill University Health Centre. Professor, Division of Radiation Oncology, Department of Medicine, McGill University. A radiation oncologist with more than 30 years of experience, she is known particularly for her expertise in the management of children with cancer. She has played leadership roles in many national and international professional organizations, including as a founding member of the Canadian Association of Radiation Oncologists and of the International Pediatric Radiation Oncology Society. Since 2018 she has been chairing the Clinical Pertinence Committee at the MUHC with the goal of supporting projects that encourage appropriateness of care.
