

Fees have been broken down according to treatment options. You may require one or several of these options, depending on your situation. Your physician will discuss with you the treatment options that are best for you. Fees do not include the cost of medications which will vary depending on your drug insurance plan.

In cases of cancellation or change in treatment, price adjustments will be applied based on our refund policy. Prices are subject to change without prior notice. All fees must be paid in full prior to the beginning of the treatment. No personal cheques accepted.

Insemination (IUI)

RAMQ currently covers up to nine (9) intra-uterine inseminations. If your treatment is not covered, insemination fees apply:
